

# big guide

The official universities and colleges entrance guide for 2007 entry. The essential resource for all students, advisers and careers libraries.

The *Big Guide* is THE publication providing entry requirements for higher education courses in the UK.

#### **Book and CD-ROM package**

52,000+ courses at all the 327 higher education institutions within the UCAS system to help applicants find the right course.

The only guide to include complete entry requirements using the UCAS Tariff. The *Big Guide* forms an important part of a student's research and can be used in all stages leading up to the completion of their UCAS application.

The most trusted HE course guide for the last 25+ years and still the most comprehensive and accurate

#### **New for 2007**

- Updated to reflect the changes in A level, AS level and vocational qualifications.
- Indicates which courses require an admissions test.
- Fully updated student finance section.

#### **The Entry Requirements CD-ROM**

The accompanying CD-ROM is the definitive guide to the entry requirements of UK universities and colleges.

It incorporates all the qualifications in the book, plus Access to HE, GCSE, BTEC, Diploma in Foundation Studies, International Baccalaureate, the European Baccalaureate and the Irish Leaving Certificate.
